

Downtown Laramie Gift Certificate Policy

Adopted **by the board December 4, 2023**

Downtown gift certificates are valid at the businesses within the Downtown Laramie district including retail, restaurants, and service-based businesses.

Certificates are equivalent to \$25 cash and will be processed by the store, restaurant or service provider you shop with like a check. Write the name of the business you spend it at in the "to" line.

Certificates are not redeemable for cash. They must be spent in a downtown business.

Certificates are exempt from any discounts as we sell them at cost. The face value of the gift certificate remains constant, providing the recipient with the full value of their gift.

Certificates expire after 6 months (180 days) from the date of purchase.

Customers may exchange up to 4 expired certificates within 1 month of the printed expiration date at First Interstate Bank (221 E Iverson Ave).

Customers may not exchange certificates before the printed expiration date.
